Dedication

The Rhorea Staff of '67 wishes to dedicate this book to Jim Nebergall, a man who continues to inspire and instruct the students of GBHS to be the leaders of tomorrow.

Mr. Nebergall is an American history teacher at GBHS. His humor and wit add much to his classes in which he tries to give his students a better understanding of national and local affairs.

As head basketball coach of the Black Panthers, he has helped students attain their goals of athletic achievement. For eight years he has coached the Panthers and has turned out championship teams.

Because of his concern for his students and his unselfish efforts to pass on to his classes his love of history and good sportsmanship, the Rhorea Staff feels he well deserves this honor.

Administration & Faculty

The Unified District 428 board members include: Guy Gordon, treasurer, Mrs. Rene Wells, Clyde Burnside, vice-president, Dr. M. O. Steffen, James Heaton, president, Superintendent D. V. In the new Unified School District 428, beginning operation this year, 15 attendance centers are maintained. The district includes the public schools of Great Bend proper and those at Bissell's Point, Heizer, Shady Grove, Countryside, and Red Brick.

Due to an increased number of students at Harrison Junior High, the school board has invested in two mobile classrooms. When additional permanent space has been provided at Harrison, these mobile classrooms will be moved to various elementary schools in the area.

The school administration honored Mr. Herman Colegrove, for serving as clerk of the Great Bend School Board from 1922 to 1961, at a coffee on the eve of his departure from Great Bend to the Old Soldiers Home in Fort Dodge, Kansas.

Herman Colegrove is thanked for his many years of service by Superintendent D. V. Swartz, and Dean Carr, former school board member.

MRS. TWYLAH HOLLEMBEAK (ROY) — Secretary

Responsibilities Multiply

Mr. Swartz, Superintendent of Schools, and Mr. Holman, Assistant Superintendent of Schools, meet twice monthly with the school board members to discuss school policies and revenue. During these meetings the guidelines for the school system are made. Their responsibilities also include the hiring of new teachers for the coming year.

At one of their bi-monthly meetings, the school board voted to discontinue 9th grade promotion exercises. This action was taken after years of consideration. They have also discontinued the payment of tuition by out of county pupils.

Business Classes Present Opportunities for Career Bound Students

Classes offering instruction in varied business courses enable students to develop ideas related to the business world today. Through subjects such as bookkeeping, shorthand, notehand, typing, and secreterial training the student gains added experience toward business. Business law, business communications and economics present a broader outlook of the business world.

Distributive education offers the student actual work experience. By working on the job a student can gain information first-hand. Completion of the business courses allows the student to go into business occupations more adequately prepared upon graduation.

Homemaking Trains Students for Homes of Tomorrow

The major purpose of homemaking education is to improve home and family living. The home is the basic unit of society and fulfills a vital role in the development of effective individuals. The complexity of problems facing today's families has increased the need for education in homemaking.

The areas of homemaking covered in high school are Child Care and Development, Health and Safety, Family Relationships, Nutrition and Food Preparation, Clothing and Textiles, Home Management and Consumer Education, and Housing, Home Furnishings and Related Art.

Homemaking I, II, III, and Family Living are offered at Great Bend High School.

Industrial Arts Are Basis for Technical Work

The Industrial Arts department, consisting of woodworking, metal work, mechanical drawing, and electricity, stresses the development of important skills in industrial fields. The courses provide an open channel for personal creativity.

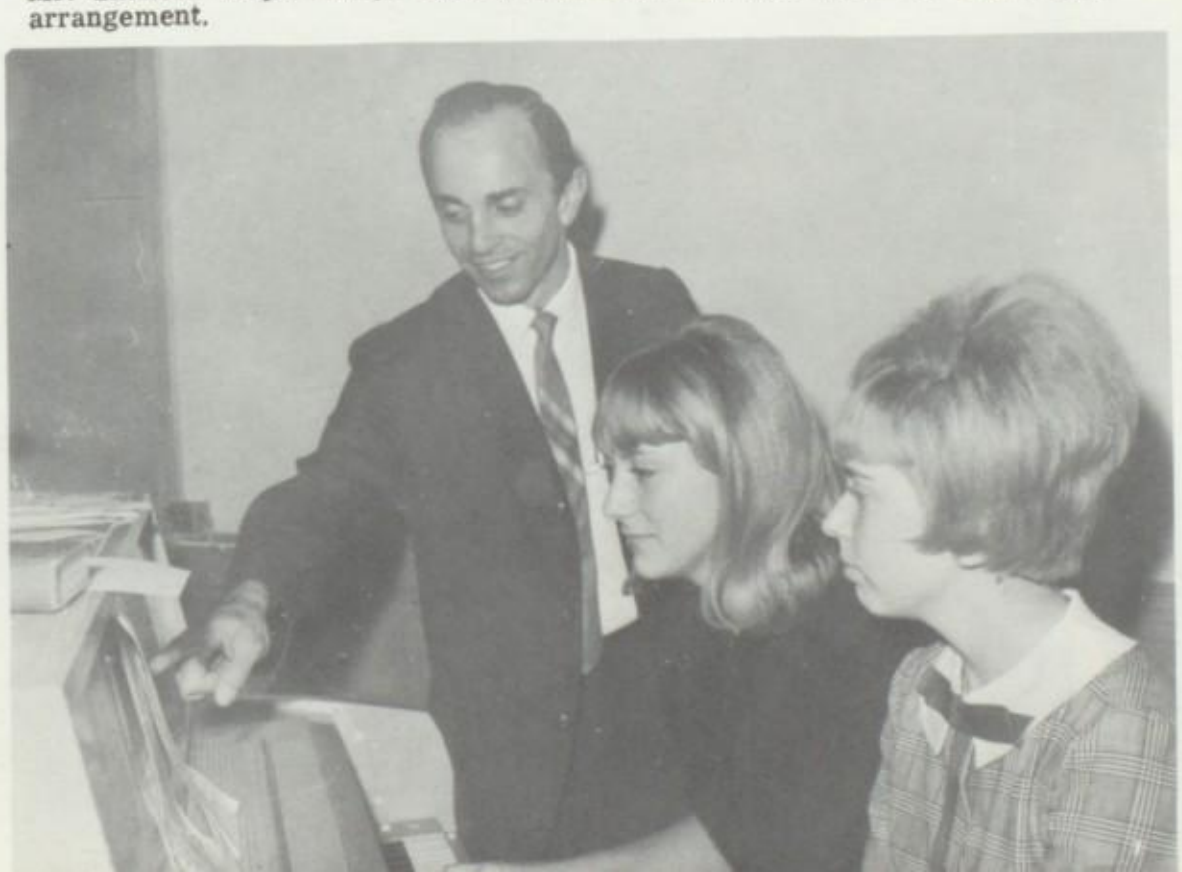
Mr. Shaheen helps Cheryl Reisbig and Diane Zumalt work out a difficult arrangement.



Language Arts Teach Importance of Literature & Communications

The requirements for graduation include four credits in English Language Arts. To aid students and keep up with new phases of English teaching, teachers in this department have attended special sessions or institutes at Fort Hays State College, Kansas University and Kansas State University. Mrs. Trowbridge and Miss Unruh attended a summer NDEA English institute sponsored by Kansas University and the Federal Government, where they heard lectures by prominent leaders on new methods of teaching. Through the NDEA program approximately 200 new paperback books have been received for each classroom in the department.

Math Courses Challenge Students

The GBHS math department has a two-track program—terminal and college preparatory. Students in some courses are divided into enriched, regular and remedial classes. The modern concepts have been incorporated in much of the teaching.

Algebra I extends the concepts of sets, equations, inequalities, properties of real numbers, and graphing of linear equations. It also includes a short introduction to quadratic equations and square roots .

Algebra II extends understanding and use of the number system, formulas, equations, graphs, and numerical trig.

Geometry acquaints students with a mathematical system based upon deductive reasoning and the nature of proof.

Trigonometry entails the study of trig functions of angles and elaborates on concepts previously taught in algebra.

Advanced math is designed to introduce the three important branches of mathematics: analytic geometry, calculus, and statistics.

Senior Math is a course for the non-college bound who wish to review some fundamental principles of math and their applications.

Science Reveals Complex Principles

Science courses at GBHS prepare the student for the future challenges surrounding them. The three fields of science taught are biology, physics, and chemistry .

Biology teaches the students about life and life processes of plants and animals. Here the students learn not only from the teachers and books, but also from experiences in the laboratory.

Physics offers an understanding of principles that involve motion and matter.

Chemistry is a physical science in which students study the synthetic and natural elements and chemical compounds formed from them.

Electronics, which is also taught, gives the essential background for electricity and electronic circuits.

Stress Physical and Mental Training

The Physical Education Department stresses proper attitudes toward healthful living through regular exercises and various activities. Among these are swimming for both girls and boys, tennis, volleyball, basketball, track, softball, and dancing for the girls.

The purpose of the secondary Special Education program is to give the student a feeling of occupational adequacy, social competence, and personal adequacy. Curriculm objectives include development of minimum basic skills, a continuing study of occupational opportunities in the community, and to provide a supervised program of work experience. The heart of the program for the Special Education student in high school is one of general information, development of skills needed in broad vocational areas, and familiarizing the pupils with vocational possibilities.

Reading Improvement, a new class started last year, is intended to help students improve their reading skills. This is an important subject because from reading all other learning is developed.

Approximately 315 seniors, the largest graduating class of GBHS, chose black caps and gowns for their commencement. Dr. M. C. Cunningham, President of Fort Hays State College, was the speaker.

As juniors the class presented a 2-Act play "The Ugly American." They also selected outstanding class rings and were successful on their magazine sales which helped finance the Junior-Senior Prom, "The People of the Sun."

To help raise money, the seniors sold class pins with the GBHS insignia and they presented their 3-Act play "Death Takes A Holiday." The year was climaxed by the prom, the annual senior picnic, and the activities of senior week.

Previous sponsor chairman were Dale Howell, the sophomore year, and Bill Buckles, the junior year. Emerson MacDonald was the sponsor chairman for the senior year.

Other sponsors were Mrs. Atkinson, Mrs. Caraway, Mrs. Carter, Mr. Cox, Mr. Garrison, Mrs. Gunn, Mr. Hamel, Mr. Keenan, Miss Lundstedt, Mrs. Marshall, Mrs. Roberson, and Mr. Wagner.

Juniors Realize Need for Scholarship

Caught between the uncertainty of the Sophomore and the confidence of the Senior, the Juniors realize the need for scholarship and sportsmanship at Great Bend High School.

One of the highlights of the year was the selection of a distinctive class ring. Other important activities were the magazine sales, working in the concession stand, participation in the homecoming parade, the Junior 2-Act, and the Junior - Senior Prom.

The sponsors of the class are Mr. Brichacek, chairman, Mr. Brown, Mr. Burns, Mr. Jimison, Mrs. Humphreys, Mr. Kline, Mr. Tressin, Mrs. Scheuerman, Mr. Hartman, Mrs. Schmitt, Mr. Schultis, Miss Unruh, Mr. McMulkin, and Mrs. Dickinson.

Aria Da Capo, by Edna St. Vincent Millay was the choice for the All-School play for competition at Pratt. The play presented the conflict between humor and tragedy, that, despite death, humor can and does prevail. Miss Linda Hodges was the director.

A Cappella Choir Goes on Entertaining Tour

Under the direction of Kenneth Shaheen the vocal music department has had a successful year.

One of the highlights of the year was the annual Christmas Concert by the A Cappella Choir. The scenery depicted a musical portrait in which the choir was pictured in a beautiful gold picture frame. This was created by members of the choir. Some of the numbers performed were "Behold the Star," "O're the Solemn Hush of Midnight," and "Fum Fum Fum."

In the spring the tour took the choir to Junction City. They also participated in the State Musical Festival in Dodge City.

The Girls' Glee Club and Choraliers participated in the fall and spring concerts.

Panther Tales Tell of GBHS Activities

For the 22nd year the Panther Tales Staff of Great Bend High School has completed a successful year of publishing the school paper. Under adviser, Miss Alice Unruh, 16 issues of the Panther Tales were completed by the two newspaper classes. All the articles were written by the newspaper students on school news and activities.

The four editors and adviser, Miss Unruh, attended a newspaper clinic at Ft. Hays State College in November. Working on the Panther Tales Staff proved to be a most rewarding and educational experience.

Being sure to get his paper early from Debbie Albright and Vicki Ensminger is Don McLaughlin on a Friday morning when Panther Tales is sold.

Rhorea Staff Strives to Present Story of '66-'67

The 26 senior journalists of the Rhorea staff began work in the fall after the editors and business managers were elected. During the beginning months, they chose the cover, decided upon division pages, selected the dedicatee, and planned a sales program.

From October 24 to November 18 approximately 800 Rhoreas were sold. Highlighting the sales porgram was the crowning of Panther Pal, who was voted upon when the students purchased their yearbooks.

Student Council Promotes Spirit of Cooperation and Responsibility

Promoting a school spirit of cooperation and responsibility, the Student Council shoulders the task of leadership in student government at Great Bend High School. Stuco is made up of the president and vice-president nominated by the student council and elected by the student body in spring of the preceding year. Representatives from homerooms are elected at the beginning of the school year. Harry Kline, Cecil Dryer, and Mrs. Gwen Querry direct and sponsor the student council.

During August, president Ronny Heggemeier attended a student council workshop at the University of Kansas in Lawrence. Early in the fall, thirteen representatives traveled to St. John for a student council conference. Activities of the council included ushering at football games as well as sponsoring dances after both football and basketball games. A committee was appointed to approve campaign posters made by students to support their favorite nominee for class officers. One money making project was the selling of sweatshirts. In December, a benefit basketball game with the Harlem Travelers versus the faculty and Thies Packers helped finance the AFS Program.

Student council continued participation in the American Field Service program by sponsoring Silke Lohel from Germany.

Hi-Y Promotes Fellowship

The purpose of the Hi-Y organization is to promote Christian fellowship. Throughout the year various ministers, speakers, and films were used by Hi-Y members at their monthly meetings.

Hi-Y members had a Car Smash Up at the beginning of the year as a money-making project. On March 4, Hi-Y sponsored a pre-spring dance in the high school gymnasium. Music for the dance was provided by the Inmates, a local band.

Mr. Marsh and Mr. Brichacek are the sponsors of Hi-Y and aid the members in promoting Christian fellowship.

Reverend Cecil speaks to Hi-Y members on the Christian idea of Christmas.

Key Club Sponsored by Kiwanis

Key Club was organized under the auspices of the local Kiwanis Clubs which gave a charter banquet for the members and their parents. The club has established itself as an active service organization. Membership in the organization is limited by requiring a high grade average.

The first club project was to prepare a food basket for a needy family at Thanksgiving. Later in the year they helped collect money for the March of Dimes in the downtown shopping area.

The faculty sponsors are Dennis Garrison and Tom Kennett.

The officers and sponsors of Key Club are sworn in and given pins at a charter banquet for Key Club and Kiwanis Club members.

Members Enjoy Fellowship

President Gail Miller presents Cathy Moore with a corsage for being chosen "Kayette of the Month."

Kayettes started a busy year with a Coke Party to welcome new members. Their many activities were directed toward the acquisition of a 2000 point award. Sponsors of the 530-member organization are Mrs. Gunn, Mrs. Garrison, and Miss Lundstedt.

As World and Community Service projects the Kayettes adopted an Indian girl, collected socks and gloves for an Indian reservation, and addressed envelopes for the March of Dimes. The girls prepared Thanksgiving baskets for several families in the community.

At Christmas time the Kayettes decorated the school Christmas tree in the main hall. Christmas wreaths and holly were sold as the principal money-making project of the year. Prizes were given to Carolyn Thomas, Jeannie Marr, and Nancy Ohl for being top salesmen.

The two main social events were the Ghost's Night Out, a Halloween costume dance, and the Jingle Bell Ball which was highlighted by a visit from Santa. At one of the monthly meetings, a style show previewed new summer fashions.

Each month an outstanding member was given a corsage when she was named Kayette of the Month. Teachers were honored by a tea.

A busy year ended with the "Date with Dad" dinner, Senior Farewell, and Installation of incoming officers.

FTA Holds District Meeting

Future Teachers of America has been an organization at GBHS since 1959. The 166 members of FTA have worked hard this year to promote the high ideals of the club under the direction of Mrs. Lela McMannis and Miss Alice Unruh.

Favors were made at the beginning of the year for the teachers. They featured a red school house with an aspirin attached and the words, "Welcome Back!" A coke party started the year off on September 9 for all members.

The District Convention on October 22, featured Dr. Gwen Nelson, associate director of Mid-Continent Regional Laboratory, from Wichita as principal speaker. Miss Linda Lewis, vice-president of KFTA was chairman of the workshop.

Special programs during the year featured Mr. Swartz, Superintendent of Schools, who spoke on a recent visit to Germany and the public school system there, and Mrs. Khan, foreign exchange teacher, who spoke to the group on January 19.

Activities during the year were a concession stand during football season, a tea on October 29 for the student teachers, selling survival kits in January before final exams, selling Panther buttons to promote school spirit, making Valentine favors for teachers, and a dance for all members on March 18. April 29 was the date for the State Convention at Kansas State University in Manhattan.

Hold Children's Christmas Party

Future Homemakers of America is a national organization of homemaking students of the United States, Puerto Rico, and the Virgin Islands. FHA gives girls an opportunity for planning activities related to homemaking.

This year 235 girls made up the total membership of FHA whose major money-making project was the selling of student theater discount cards.

The annual children's Christmas party took place December 13. Other community projects were two Thanksgiving baskets given to needy families and monthly visits by committtees to the Old Folks home.

February 4 marked the highlight of the year with the annual Snowball dance for members and their dates.

Thirty-six girls from Great Bend attended the State FHA Convention at Topeka on March 11.

Pep Club Boosts Team Spirit

The Panther Pep Club promoted school spirit and enthusiasm at pep assemblies and games. Under the direction of the sponsors—Miss Wilna Wade, Mrs. Gwendolyn Querry, and Mrs. Aline Schmitt—the 320-member club provided various activities for the enjoyment of the student body. Included in these activities were the parade and mum sales for Football Homecoming, the concession stand at some home games, and the candy sales to raise money. The Pep Club also sponsored the dances after Football and Basketball Homecoming games and the annual Corrigan Dance.

Pepperettes, an honorary group, consisted of girls who had completed 35 hours of work for the Pep Club. This group provided leadership and encouraged all members to add to club spirit. Girls who had completed 15 hours of work could purchase a letter.

Uniforms for the girls consisted of the traditional red vests, white long-sleeved blouses, and black skirts. The Pepperettes' uniforms consisted of red blazers and black skirts. These uniforms added a "touch of color" to the GBHS cheering section.

Cheerleaders Help Produce Spirit

V-I-C-T-O-R-Y was the "battle cry" as varsity cheerleaders, Sue Cale, Karen Dobbs, Mary Jasnoski, Barbie Mullen, Lynn Nebergall, and Susan Standley led the student body in support of GBHS sportsmen. Not only did the cheerleaders produce spirit at pep assemblies, but they also showed their ability to bring out the best of the student body and the team. B-Team cheerleaders were Colleen Durand, Marcia Landers, Lexie Nebergall, and Debbie Winter.

To keep up-to-date on the cheers, the cheerleaders traveled to K-State for Cheerleader Day on October 19. Their new basketball uniforms were red sweaters, black vests, and black skirts. For football season they wore black sweaters with the Panther emblem on the front and black pleated skirts.

Peppy Panther assisted the cheerleaders in promoting the will to win. They were Vicki Coshow, Sharon Hague, and Maureen Tefft.

DE Students Receive On-the-Job Training

Distributive Education is a nationwide program in sales and marketing whereby students receive on-the-job training in addition to related classroom instruction. A DE student is placed in a business to receive practical experience.

Distributive Education classes aid students in acquiring general skills and knowledge in all distributive occupations and also in acquiring specialized skills they need at the businesses where they are placed.

One of the aims of DE is to provide good, sound classroom instruction and at the same time provide the student with actual job experience.

Organize Thespians for Drama Students

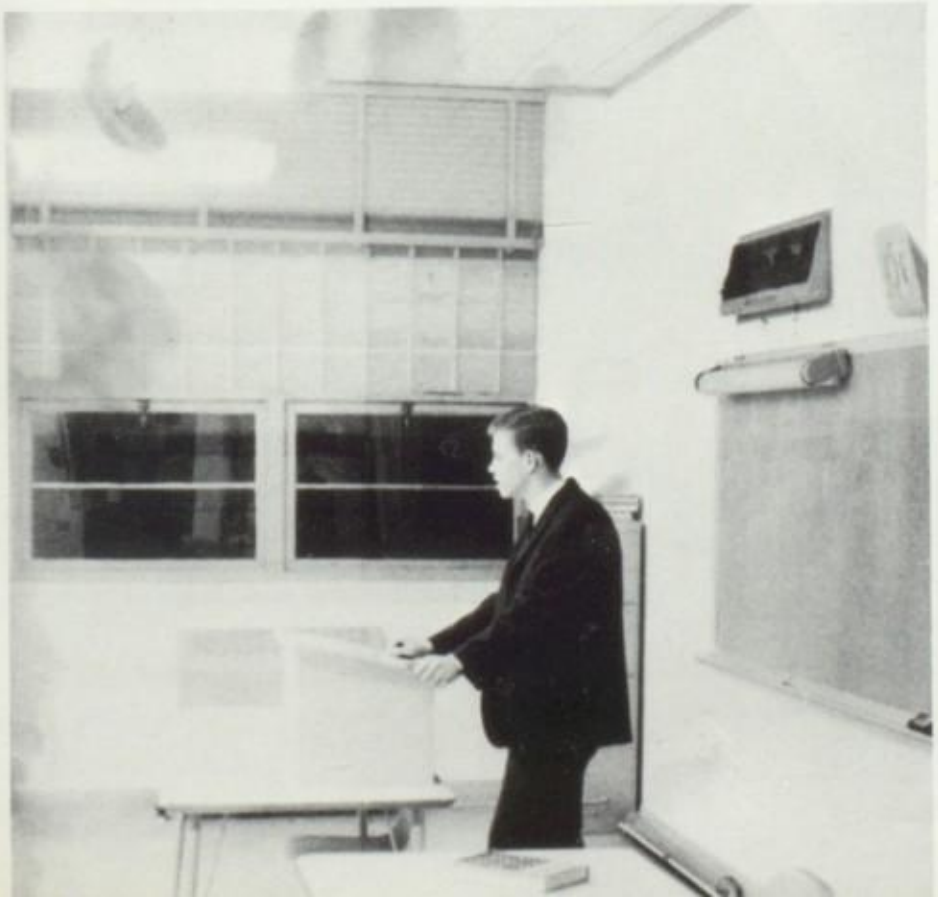
A new organization formed second semester at GBHS was the National Thespian Society with approximately 16 members.

The National Thespian Society is an honorary organization for those that have participated in 100 hours of preparation and production in drama.

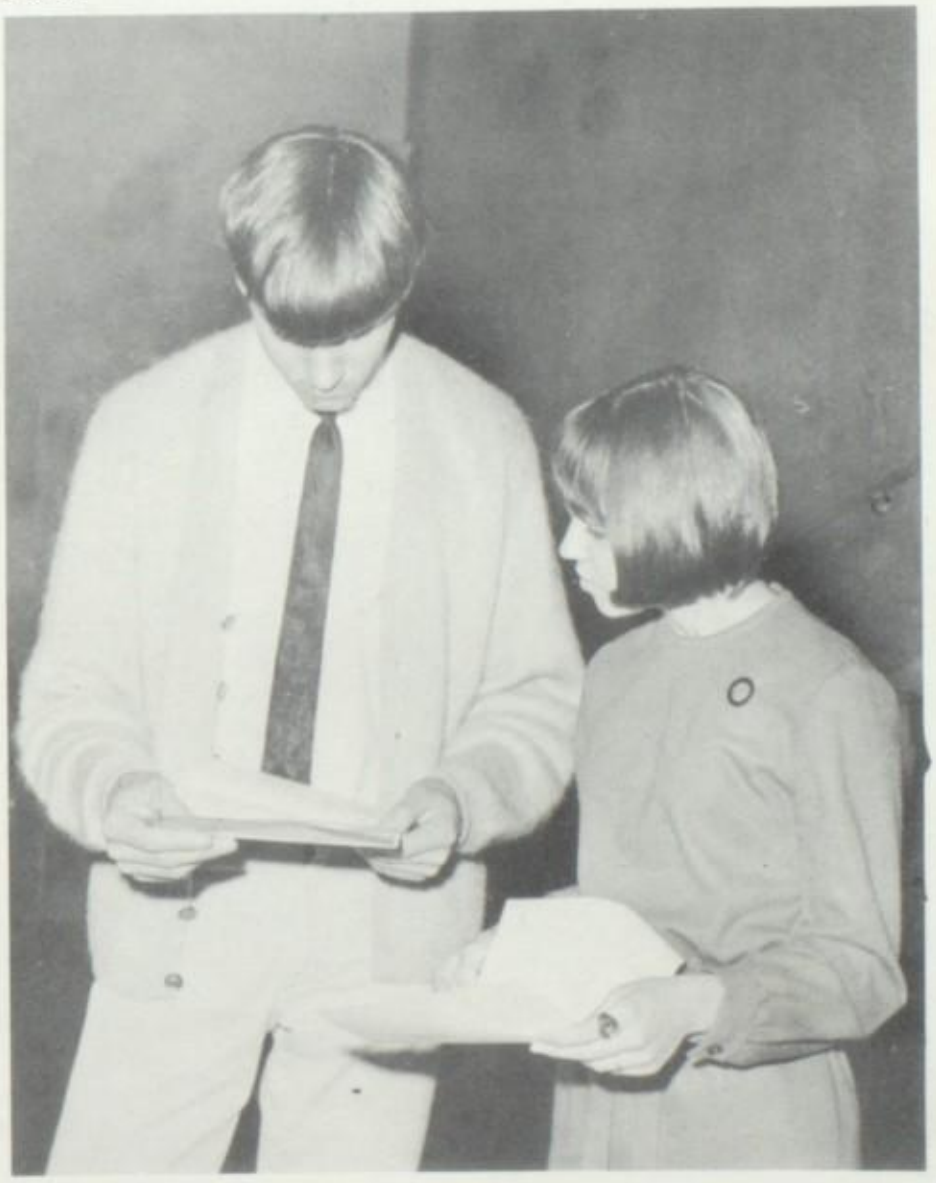
One of the activities the members participated in was the attendance of the play "The Mouse that Roared," at Hutchinson Junior College in the spring.

Sponsor of the National Thespian Society is Miss Linda Hodges.

Mark Harbison works on hours for membership in the National Thespian Society.



Neel Pizinger and Ann Herold check scripts for coming plays.



The new students are Joanne Nuss, Andrea Hansarik, Pat Bigham, Dennis Strait, and Greg Jewell.

GBHS Welcomes New Students

Great Bend High School welcomed five new students this year. The juniors are Pat Bigham from Durango, Colorado, Andrea Hansarik from Dodge City, Kansas, and Greg Jewell from Ulysses, Kansas. The sophomores entering second semester are Joanne Nuss from Denver, Colorado, and Dennis Strait from Great Bend, Kansas .

Use "I" Formation

The Great Bend Black Panther football squad went through a season of rebuilding under the supervision of their new coach Ken Peterson.

The squad used the "I" formation with several spectacular aerial attacks. A decisive 21-7 victory over Larned proved to be the highlight of the season. The gridiron squad finished the year with one win and eight losses.

The sophomore team compiled a record of two wins and one loss, while the B team had a two win, two loss season.

Twenty-four boys earned varsity letters—seventeen seniors and seven underclassmen. Assisting coach Peterson were Carpenter, Hague, Brown, and Roberson.

Panthers are WCKL Champs

In nine years as basketball coach at GBHS Coach Nebergall has compiled a record of 104 wins and 77 defeats.

For the second straight year the team won the WCKL title with a 11-1 record. The only setback to mar the league record was the double overtime loss to Garden City.

Jim Jasnoski and Bob Hilgendorf were the only varsity lettermen returning this year but were supplemented by a fine team that improved throughout the 1967 season.

Unfortunately Great Bend did not fare too well in tournament competition. They dropped the first game at McPherson settling for fifth place and then they were eliminated in the regional by Liberal.

Good Season Anticipated

1966 was a successful year for the Great Bend Black Panthers as they completed the season with nine victories and seven defeats. Mr. Buckles served as assistant coach and aided Coach Burns in guidance of the team. Ron Walters and Brett Moran were elected co-captains for the year.

The 1967 team should prove to be one of the best in the league as nineteen lettermen are returning to the hardball diamond. The outfield, infield, catching, and pitching positions remain sound with experienced players at each spot.

Coach Burns will lose eight seniors through graduation. They are Fred Brown, Doug Keiswetter, Randy Knobloch, Lynn Engle, Dana Nokes, Jim Jasnoski, Brett Moran, Bruce Sloan and George Wilson.

One of the best infields in the league was composed of Brett Moran, Doug Keiswetter, Bill Franklin and Jim Jasnoski.

Bob McGreevy, Mike Petz and Brue Sloan gave good account of themselves last year and will be the mainstay of the '67 pitching staff.

'66 Panther Track Squad

Coach Jack Hague looks forward to a successful season as twelve letterman are returning to the cinder track. Great Bend capped the '66 season by placing third in the Newton Relays, second in the WCKL Meet and fourth in the Regional Meet.

In competition at the KU Relays last year Bob Hilgendorf placed third in the high jump and David McLeland finished sixth in the mile run. Four Panther boys qualified for the State Meet at Wichita.

Returning letterman and school record holders should add depth to the 1967 squad. They are Bob Hilgendorf with a high jump of 6'3", David McLeland in the mile with a clocking of 4:22.3, and LaForest Bodine with a javelin throw of 173'2".

Individual Wrestlers Show Ability

The Panther wrestling squad, as a team, had a season with no wins. Individually, however, some of the boys had good records.

Leading in team points were Ronny Heggemeier 52, Dennis Dewey 47, Richard Switzer 24, and John Amador 23. These four wrestlers placed in the District tournament enabling them to advance to the Regional tournament. Ronny Heggemeier placed second and Dennis Dewey third so they were then eligible for the State tournament, where they were defeated in the first round.

"Majestic Moments"

"Majestic Moments" was the theme of the 1966 Football Homecoming. Malinda Bitzer was chosen queen by the student body after an assembly introducing the candidates October 21.

The crowning ceremony followed a day of celebration including an assembly in the morning and a parade down Main Street in the afternoon. All members of the student body and some of the teachers participated in the parade this year.

A dance ended the festivities for the day with music by the Travelers, a band from Hays. The decorations included a large crown in the center of the gym floor and Queen's throne in white with blue lettering. Pep Club provided entertainment during intermission with a short skit entitled "They're Coming to Take Her Away." Panther Parents served as chaperones and furnished refreshments of cookies. cokes. and sandwiches.

Homecoming attendants and queen candidates wait with their escorts during half-time, before the announcement of the Queen.

Blue Moon

Donna Schenk was crowned the 1967 Basketball Homecoming Queen February 17 and reigned over the annual homecoming dance that evening.

The theme "Blue Moon' was emphasized by the blue moon hanging from the center of the gym. Robin's Hoods, from Pratt, provided the music for the dance, sponsored by the Panther Parents. During intermission two pantomimes from "My Fair Lady" were given by Susie Peterson and Sue Cale.

Pep Club members presented Coach Nebergall with a certificate declaring him the 1967 Basketball Homecoming King during the assembly. Halftime of the varsity game was highlighted by the presentation of awards to Joe Yeager and Jim Nichols for three years of floor sweeping during home basketball games.

Before the sale of Rhoreas started, each homeroom nominated one boy. These boys were voted on by their respective classes to determine the finalists. The Panther Pal was then chosen from these finalists when Rhoreas were purchased.

In an assembly, November 11, Max Roberts was crowned 1966-67 Panther Pal by the editors, Barbara Murphy and Nancy Ohl, and received a kiss from cheerleaders, Barbara Mullen and Lynn Nebergall.

Corrigan King

Corrigan Week, March 28-31, was traditional this year. During this week, sponsored by the Girls' Pep Club, the males of GBHS were treated to royal service. Each day the girls were assigned a different task for the boys' benefit.

The highlight of the week was the dance on April 1. The Pep Club, sponsored by Mrs. Querry, Mrs. Schmitt, and Miss Wade spent many hours planning and working to decorate the gym.

The climax of the evening came when Pep Club president Connie Brack crowned Stan Brannan, 1967 Corrigan King.

The theme for the 1967 Junior-Senior Prom was "An Evening in Camelot." The juniors chose purple, orchid, and gold to carry out their theme. Music for the prom was provided by the "Good-tymes" from Wichita.

The centerpiece was an elaborate candelier. The tables were accented with small castles. A canopy drape decorated the serving table.
